EXPERIENCE

BINUS University, Tangerang Apr 2025 – Present
FYP Leader

- Guide and support new students during their transition to university life.
- Trained and guided a team of 63 Freshmen Leaders and Partners to support new students.
- Help students adjust academically and socially through mentoring, group discussions, and events.
- Act as a link between students and the university to solve problems and connect them to resources.
- Organize activities that help students feel more connected and confident during their first year.

BINUS University, Tangerang Mar 2025 – Jul 2025
Vice Chairman, HIMTI TECHFEST 2025

- Assist the Chairman in planning and managing one of BINUS's biggest tech events.
- Coordinate different teams and make sure all parts of the event run smoothly.
- Support decision-making and solve problems to improve the quality of the event.
- Communicate with partners and committees to keep everything on track.
- Help create a fun and engaging experience for all TECHFEST participants.

BINUS University, Tangerang Apr 2024 – Jul 2024
Web Development Coordinator, HIMTI TECHFEST 2024

- Led the web development team to build an interactive and responsive website for TECHFEST 2024.
- Designed and maintained the website using HTML, CSS, and JavaScript.
- Worked with other teams to understand their needs and turn them into website features.
- Made sure the website worked well on different devices and was easy to use.
- Managed deadlines and team tasks to deliver the project on time.
